

# Fireworks Safety Begins With You

**Fireworks Do's and Don'ts: Be Prepared! Be Safe! Be Responsible!**

<p><b>Don't shoot fireworks at others.</b></p> 	<p><b>Don't light fireworks on unstable or unlevel ground or objects.</b></p> 	<p><b>Don't lean over fireworks when lighting.</b></p> 	<p><b>Light fireworks on flat hard level surface.</b></p> 
<p><b>Firecrackers are illegal.</b></p> 	<p><b>Missiles are illegal.</b></p> 	<p><b>Bottle Rockets are illegal.</b></p> 	<p><b>Read the instructions.</b></p> 
<p><b>Don't hold fireworks when discharging.</b></p> 	<p><b>Don't alter or take apart fireworks.</b></p> 	<p><b>Have a bucket of water and a hose on hand.</b></p> 	<p><b>Keep 20 feet between you and discharging fireworks.</b></p> 

**What to do if you are hit by fireworks or sparks**

<p><b>Protect your eyes and face</b></p> 	<p><b>Don't Run</b></p> 	<p><b>STOP, DROP and ROLL</b></p> 
--	---	--

**Dispose of Fireworks Safely**

 <p><b>Clean up all fireworks debris</b></p>	 <p><b>Soak used fireworks in water</b></p>	 <p><b>Place used fireworks in a metal trash can</b></p>	<p><b>Do not put warm, used fireworks in a plastic bag as this may start a fire.</b></p>  <p><b>Plastic Garbage</b></p>
