

Outdoor Fire Regulations

The Camas-Washougal Fire Department has prepared the following information regarding outdoor fire regulations for your use. Note – all outdoor fires are prohibited during a burn ban (with the exception of Liquefied Petroleum Gas LPG {propane} as the fuel.)

DEFINITIONS:

BAR-B-QUE: *A cooking appliance that may be portable or permanent.*

Use conditions:

- Only clean and natural firewood, charcoal, manufactured fire logs, LPG, and/or natural gas are permissible fuels.

BURN BARREL: *A barrel or other container used to burn rubbish and other debris.*

Use conditions:

- **ILLEGAL – NOT PERMITTED (State Wide Ban)**

OPEN BURNING: *The burning of vegetation from land clearing.*

Use conditions:

- **ILLEGAL – NOT PERMITTED within the City Limits of Camas and the City Limits of Washougal**

OUTDOOR FIREPLACE: *An outdoor fireplace constructed of masonry or metal materials and considered permanent in nature.*

Use conditions:

- Only clean natural firewood, charcoal, manufactured fire logs, LPG, and/or natural gas are permissible fuels.
- Fire shall be attended at all times.

PORTABLE FIRE DEVICES with OPEN FLAME: *A non-combustible device such as a fire pit or fire bowl or chimnea that contains the fire.*

Use conditions:

- Only clean natural firewood, charcoal, manufacture fire logs, LPG, and/or natural gas are permissible fuels.
- Fire Extinguisher with rating of 4-A or greater OR a charged hose with a nozzle attached is required to be readily available.
- 15 foot distance from any structure is recommended.
- Fire shall be attended at all times.

Informational Bulletin From the Office of the Fire Marshal

RECREATIONAL FIRE: A recreational fire where the fuel is NOT contained in an incinerator, outdoor fireplace, barbeque, grill or barbeque pit and has a total **FUEL AREA** of 3 feet or less in diameter and 2 feet or less in height for pleasure, religious, ceremonial, cooking, warmth or similar purposes.

Use conditions:

- Only clean natural firewood, charcoal or manufactured fire logs are permissible fuels.
- Fire extinguisher with a rating of 4-A or greater OR a charged hose with a nozzle attached is required to be readily available.
- 25 foot distance from any structure is required.
- Not permitted during a burn ban.
- The fire is not being conducted on public property where fires are prohibited, such as in a park or on school grounds. Fires in parks are only allowed where specifically authorized and where appropriate burning receptacles are provided.
- If wind creates a hazard of fire spread the fire shall be extinguished.
- Vegetation or other combustible material creating a path for fire spread shall be removed prior to starting the fire.
- Fire shall be attended by an adult at all times.

FUEL RESTRICTIONS:

- Burning yard waste is illegal.
- Burning garbage is illegal.
- Burning cardboard or paper, except to start a fire is illegal.
- Burning building materials i.e. scrap wood, paint, vinyl flooring, roofing, carpet etc. is illegal.
- Burning dead animals is illegal.
- Burning of plastic, rubber, trash or other prohibited fuel may constitute an unauthorized release of hazardous material to the atmosphere.

BONFIRE PERMITS ARE REQUIRED FROM THE CAMAS-WASHOUGAL FIRE DEPARTMENT:

A Bonfire Permit is required for open fires with a fuel volume exceeding 3 feet in diameter and 2 feet in height with more restrictive conditions. There is a permit fee associated with this activity. Contact the Camas-Washougal Fire Marshal's Office for further information. A permit is not required for ceremonial underground cooking fires.

ENFORCEMENT

- All illegal or unattended fires shall be extinguished immediately.
- Causing a nuisance is illegal. If the smoke from the fire bothers the neighbors, damages their property or otherwise causes a nuisance, the fire shall be extinguished. Call 911 or Southwest Clean Air Agency for assistance.
- Violation of a BURN BAN ORDER is subject to citation from the Camas-Washougal Fire Department.

Camas-Washougal Fire Department

Informational Bulletin
From the Office of the Fire Marshal

- *Burning illegal fuel is subject to citation from the Camas-Washougal Fire Department and Southwest Clean Air Agency (SWCAA).*
- *Violation of the Fire Code is a misdemeanor with penalties up to \$1000 and 90 days in jail.*
- *SWCAA penalties start at \$65 to a maximum of \$1,250 for each occurrence.*
