

Summer Enrichment Camps 4Y - 12Y

Our camps are...

Local

Exciting

Affordable

We keep your kids moving and creative!

We will keep your campers engaged, entertained and educated as we focus on fun, healthy movement through group games, sports, swimming, arts & crafts activities, creative play and lasting friendship through camp teams. Each week we bring in old & new sports & games, surprise guests, camper competitions and special events that campers help plan.

- Allow 5-10 minutes to complete emergency contact & behavior policy paperwork on the first day of camp. These forms can be sent to you via email and completed in advance if you wish.
- Please bring a lunch and a re-usable water bottle with your child's name clearly marked on them daily.
- Please bring swimwear and a towel daily. We will take advantage of our local outdoor pool and sprinkler and water play in Crown Park when the weather is appropriate. We will always provide an alternate activity when swimming is on the schedule. LABEL ALL ITEMS - INCLUDING CLOTHING!
- Weather appropriate clothing is required - close-toed shoes & sweatshirts are recommended. Crown Park is very shaded and gets cold.
- Low staff to camper ratio ensures that your child is safe and has fun. Camp teams broken up by age.
- Pre-registration is required, early registration recommended to hold your space. Each camp session will offer different activities; you are welcome to enroll for one week or all of them. Registration deadline is the Monday PRIOR to the start of camp.
- Camps take place at Scout Hall in Crown Park & Fallen Leaf Lake Park. We may participate in walking field trips and swimming sessions at the pool. (No off site transportation field trips will be offered).

Summer Camp Themes

Campout

30100A

7/08 - 7/11

We'll make s'more's & homemade ice cream, sing songs around the campfire and receive a visit from a Park Ranger!

Xtreme Sports Challenge

30200A

7/15 - 7/18

Campers will be put into teams where they will learn to work together to complete different Xtreme challenges.

Outta This World

30300A

7/22 - 7/25

(No 4-6 year old camp this week)

Are you ready to go on a mission to outer space? We'll study space and rocketry, airplane and aerodynamics, and physics and motion. Help us create our own entry for the Camas Days Kids Parade and walk with the camp group on 7/26.

Construct It!

30400A

7/29 - 8/01

Get ready to build the perfect week of camp! We will be constructing all sorts of cool and creative projects this week.

Grossology Science Academy

30500A

8/05 - 8/08

Let's release your inner scientist. This week will be full of ooey goeey fun, science experiments and hands on activities!

Splash & Dash

30600A

8/12 - 8/15

Are you ready to get wet? Take a break from the summer heat! Join us for wacky and wild water games all week long.

Best of the Best

30700A

8/19 - 8/22

Campers will vote each week on what their favorite activities were and we'll combine them to make one fun week!
