

Guidelines and Helpful Hints for a Fun Easter Day Egg Hunt!

(refer to accompanying site map)

- Arrive early to park your vehicle. Parking near Crown Park becomes more difficult the closer you get to the egg hunt start time (1:30PM).

Egg Hunting Tips:

- All ages start the egg hunt at the same time - promptly at 1:30PM.
- There are five designated hunting areas:

Ages 2-3 will hunt in the **pink-ribboned** area, close to Scout Hall – the small brown building in the south-east corner.

Ages 4-5 will hunt in the **white-ribboned** area, in the north-east corner of the Park.

Ages 6-7 will hunt in the **green-ribboned** area, in the south-west area.

Ages 8-9 will hunt in the **blue-ribboned** area, in the north-west section, close to the concrete pool building.

Ages 10-12 will hunt in the **yellow-ribboned** area, south (left) of the pool

- Adults are **NOT** allowed in the egg hunt areas except in area for ages 2 - 3.

What to do with my eggs:

- Make sure you open **ALL** of your eggs to see if you find a prize token. Prize tokens are quarter-sized plastic tokens that are printed with “Turn in for PRIZE” on one side and “Camas Parks & Recreation” on the other side. You’ll turn in each token for a prize at the Prize Token Turn-in Line (see map).
- Recycle your eggs in the collection cans nearest your egg hunt area. We will reuse them for next year and keep our expense costs down.
- Open eggs **before** you enter the Prize Token Turn-in Line.

Easter Bunny - Bonnet/Hat Contest - Other Tips and Rules:

- The Easter Bunny will be available for photos at Scout Hall before and after the egg hunt.
- If you become separated from your parent/guardian or child, or if you find a misplaced child, please come to the Metal Covered Shelter (see map). We will make an announcement over the PA system.
- Be patient. Be courteous. This is a large family event for our community.
- And remember, no dogs or pets are allowed in Crown Park, unless it’s a service animal. Animal control and/or Camas Police will be on site.
