

ORDINANCE NO. 1997

AN ORDINANCE amending Chapter 2.12 of the Camas Municipal Code by combining the positions of Parking Enforcement Officer and Part-Time Clerk in the Police Department, by providing for the appointment of the Parking Enforcement Officer/Clerk from eligibility lists submitted by the Civil Service Commission of the City of Camas, and appointing the current incumbent to the newly created position of Parking Enforcement Officer/Clerk.

THE COUNCIL OF THE CITY OF CAMAS DO ORDAIN AS FOLLOWS:

Section I

The Council makes the following findings:

A. The City currently maintains a part-time parking enforcement officer position and a part-time clerical position in the Police Department.

B. The Council has determined that it is in the best interests of the City to combine the two part-time positions into a full-time position to be known as the Parking Enforcement Officer/Clerk position.

C. Washington law requires that all full-time positions within the Police Department be part of the classified civil service system, and that appointments to such positions be made only on the basis of merit ascertained by open competitive examination.

D. Washington law further provides that open competitive examinations were not required for the appointment of persons employed in a police department at the time civil service was implemented.

E. The rationale for the appointment of existing police officers without competitive examination was to prevent any delay, injury or interruption in the public service.

F. The rationale of state law for dispensing with an open competitive examination for police officers at the time civil service was implemented is equally applicable to the merger of the part-time parking enforcement officer and part-time clerk positions.
