

ORDINANCE NO. 2019

AN ORDINANCE amending Chapter 13.86 of the Camas Municipal Code by revising the definition of recyclables to include mixed paper, and increasing the monthly rate for recycling collection services to \$2.30 per month.

THE COUNCIL OF THE CITY OF CAMAS DO ORDAIN AS FOLLOWS:

Section I

Section 13.86.010 of the Camas Municipal Code is amended to provide as follows:

13.86.010 - Definitions:

As used in this chapter:

- A. "City" means the City of Camas.
- B. "Collection site" means that location at each residential unit where recyclables are placed for collection. The collection site for those single-family residential units where curbside collection would cause a traffic hazard and for multi-family residential units shall be the same location where solid waste is collected by City. The collection site for all other residential units shall be at a curbside location adjacent to such residential unit.
- C. "Container" means a plastic receptacle consisting of three (3) separate bins capable of being stacked, and designed for the collection of residential recyclables.
- D. "Curbside" means that portion of the public right-of-way adjacent to an improved street or alley.
- E. "Multi-family residential unit" means those apartment complexes, condominiums, and other multi-family dwellings where recycling services are provided by means of a centralized collection system rather than individual residential unit collection.
- F. "Property owner" means the owner of record as determined by the records of the Clark County Auditor. In the case of property being purchased on contract, the contract purchaser shall be deemed the property owner.
- G. "Recyclables" means solid wastes that are source separated for transforming or remanufacture into useable or marketable materials. Recyclables shall include newsprint, cardboard, mixed paper, glass (brown, green, and clear), aluminum, tin, polyethylene terephthalate (PET) plastic, high-density polyethylene (HDPE) plastic, and motor oil.
- H. "Residential dwelling" means a separate living unit designed and intended for occupancy as a dwelling and having its own housekeeping and kitchen facilities. Single-family residences, apartment units, duplexes, tri-plexes, four-plexes, and condominium units shall be considered residential units. Hotel, motel, and rooming and boarding units designed primarily for transient tenancy shall not be considered residential units.
- I. "Service area" means those residential units who now or in the future receive refuse collection services from the City. The service area does not include those areas in the City served by private contractors holding franchises for garbage collection, unless such contractors enter into an agreement with City to permit collection of recyclables within such area.

J. "Single-family residential units" means those residential units served by an individual recycling container and not shared with other residential units.

K. "Solid waste" means all putrescible and non-putrescible solid and semi-solid wastes, including but not limited to garbage, rubbish, ashes, industrial wastes, swill, demolition and construction wastes, abandoned vehicles and parts thereof, and recyclables.

L. "Source separation" means the segregation of recyclables from other solid wastes at residential units and the separation of such recyclables into three (3) bins as follows: (1) newsprint; (2) aluminum, tin, PET plastic, HDPE plastic, and unbroken glass (brown, green, and clear); and (3) mixed paper. Cardboard and motor oil shall be placed adjacent to the recycling bins.

M. "Yard debris" means grass clippings, leaves, weeds, prunings, brush and vegetative materials up to four (4) inches in diameter and five (5) feet in length originating on the served property.

N. "Yard debris container" means a ninety (90) gallon roller can with a weight limit of two hundred (200) pounds designed for automated collection of yard debris.

O. "Yard debris extra containers" means a thirty (30) gallon can, kraft bags, or bundles tied with twine or string. Plastic bags are not permitted.

Section II

Section 13.86.040(b)(1) is amended to provide as follows:

- (1) For single-family residential units, newspapers shall be placed in one bin; aluminum, tin, PET plastic, HDPE plastic, and unbroken glass (brown, green, and clear) shall be placed in the second bin; and mixed paper shall be placed in the third bin. Cardboard and motor oil shall be placed next to the three bin containers.

Section III

Section 13.86.060 of the Camas Municipal Code is amended to provide as follows:

13.86.060 - Rates. The rate for collection of recyclables shall be \$2.30 per month for each residential unit.

Section IV

This ordinance shall take force and be in effect from and after April 1, 1995, and shall be published according to law.
