

ORDINANCE NO. 2049

AN ORDINANCE adding a new subsection to Section 17.36.030 adopting the Puget Sound Storm Water Design Manual for disposal of storm water, and adding a new section to Chapter 17.36 of the Camas Municipal Code imposing certain requirements on construction of infrastructure improvements after September 1 of any year and prior to April 15 of the following year.

THE COUNCIL OF THE CITY OF CAMAS DO ORDAIN AS FOLLOWS:

Section I

There is hereby added to Section 17.36.030 a new subsection to provide as follows:

17.36.030 - Surface Drainage and Storm Sewer System.

- C. All storm water generated by projects shall be treated, detained and disposed of in accordance with the applicable standards set forth in the Puget Sound Storm Water Design Manual, as amended from time to time. Any deviations from the aforementioned standards shall be submitted in writing to the Director of Public Works for his review and approval.

Section II

There is hereby added to Chapter 17.36 of the Camas Municipal Code a new section to provide as follows:

17.36.110 - Construction of Infrastructure Improvements - Special Requirements. Any person, company, corporation, group, entity, or jurisdiction proposing to commence construction of any infrastructure improvements after September 1 of any year and prior to April 15 of the following year, shall be required to meet the following standards:

- A. Install all erosion control measures required by the approved Erosion Control Plan prior to commencement of work.
- B. Furnish to the City an approved form of security in the amount of 200 percent of the estimated cost of the erosion control measures, including associated labor, listed on the approved Erosion Control Plan.
- C. Construct any special storm drainage facilities required to detain and dispose of storm water generated by the project prior to commencement of work on other portions of the project.
- D. Implementation of special construction procedures may be required to address weather-related problems and to assure compliance with the applicable construction standards of the City. Any proposed special construction practices must be approved by the City prior to use. The City shall have the right to reject proposed special construction standards, and to stop construction until such time acceptable procedures are implemented.

E. The requirements of this section shall not apply to the construction of structures with a valid building permit issued pursuant to Chapter 15 of the Camas Municipal Code.

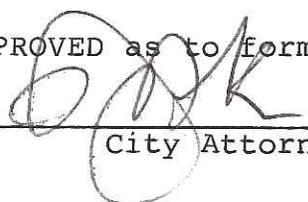

Section III

This ordinance shall take force and be in effect five (5) days from and after its publication according to law.
