THE COUNCIL OF THE CITY OF CAMAS DO ORDAIN AS FOLLOWS:

- a. Long term truck usage of Deerfern Avenue by construction vehicles from the Grand Ridge subdivision will adversely impact the neighborhood safety and livability.

- c. Alternative routes exist for truck traffic other than the use of the above-described roadways for the Grand Ridge subdivision construction traffic. SE Brady Road accesses Grand Ridge Subdivision and is classified as a minor arterial.

The restrictions set forth herein shall not apply to vehicles which are in the process of making a delivery or a pickup within the boundaries stated above. Said restrictions shall also not apply to any vehicles which are required to access the above-stated areas for emergency, sanitary, maintenance, or other public purposes.

Section III

The director of Public Works for the City of Camas is hereby authorized and directed to erect signs informing the public and users of said streets of the restrictions on heavy truck traffic.
