

ORDINANCE NO. 2380

AN ORDINANCE modifying charges for connection to the city water system and for temporary water service.

THE COUNCIL OF THE CITY OF CAMAS DO ORDAIN AS FOLLOWS:

Section I

Section 13.36.030 of the Camas Municipal Code is amended to provide as follows:

13.36.030 - Combined Residential and Commercial Uses

Where a single service is provided to a combination of residential and commercial uses, the commercial rates shall be charged for all water and sewer service.

Section II

Section 13.36.050 of the Camas Municipal Code is amended to provide as follows:

13.36.050 - Connection Charges

A. Charges for connection to the city water system including setting the meter, installing a service line and tapping the water main shall be computed as follows:

1. Except as hereinafter provided, the connection charge shall be the cost of materials, the labor costs for city personnel billed at then existing rates for such personnel, and any fees or charges that were necessary to be paid to third parties in order to make such connection.
2. For installing a water meter for services one inch or smaller, the connection charge shall be:

5/8" x 3/4" - \$245.00

3/4" - \$270.00

1" - \$315.00

or the actual cost to the city calculated as in accordance with Section 13.36.050(A)(1), whichever is greater.

3. For installing a water meter, service line, and tapping the water main for a service one inch or smaller, the connection charge shall be \$1,500.00 or the actual cost to the city calculated in accordance with Section 13.36.050(A)(1), whichever is greater.

B. There shall be no charge for connecting a sprinkler system to a water main for fire protection other than the installation cost of the same, providing that such system shall include a detector to record water usage.

Section III

Section 13.36.060 of the Camas Municipal Code is amended to provide as follows:

13.36.060 - Temporary Water Service

For temporary irrigation or commercial hydrant use, all connections shall pay a \$500.00 deposit with \$100.00 for installation and removal non-refundable. Water usage shall be deducted from the deposit at the then current applicable commercial

rate per section 13.36.010. The City reserves the right to remove the meter for non-use or misuse at its discretion. Any remaining deposit will be returned to applicant, or remaining balance will be billed to the applicant. The applicant shall notify the City when use is complete. The applicant will be responsible for any damage to the equipment, and will be invoiced for repairs or replacement of equipment.

Section IV

This ordinance shall take force and be in effect five (5) days from and after its publication according to law.
