

ORDINANCE NO. 2381

AN ORDINANCE amending the inspection fee for installation of STEP/STE systems, and amending connection charges for STEP/STE systems.

THE COUNCIL OF THE CITY OF CAMAS DO ORDAIN AS FOLLOWS:

Section I

Section 13.62.040 of the Camas Municipal Code is amended to provide as follows:

13.62.040 - Installation Responsibility - Inspection Fee

- A. The individual owner shall be responsible for and shall pay for the installation of the STEP/STE system, including but not limited to, service connection per CMC 13.64.050 if required, the tank, pump apparatus, control box, electrical wiring, conduit, plumbing from the structure to the tank, plumbing from the tank to the service box, excavation, and backfill material. The city shall, prior to installation, determine the appropriate size tank.
- B. During and at the completion of installation, the STEP/STE system shall be inspected by the city to insure that it has been properly installed. There shall be a fee of \$150.00 for inspection of the STEP system, which fee shall be collected by the building department at the time the permit for connection to the municipal sewer system is issued.

Section II

Section 13.64.050 of the Camas Municipal Code is amended to provide as follows:

13.64.050 - Connection Charges for STEP/STE Systems

- A. Except as hereinafter provided, the connection charge for connecting a STEP/STE sewer system to the Camas municipal sewer system shall be the cost of materials, the costs of labor for city personnel at then prevailing rate for such personnel, and the amount of any fees or charges required to be paid to any third parties in order to make such connection.
- B. The connection charge for connecting a STEP/STE sewer system to the Camas municipal sanitary sewer system with a one inch service line or less shall be \$1,400.00 dollars, or the actual cost to the city calculated in accordance with Section 13.64.050(A), whichever is greater.
- C. No connection charge will be assessed if a service line has already been installed connecting the subject property to the city sanitary sewer system.

Section III

This ordinance shall take force and be in effect five (5) days from and after its publication according to law.

PASSED by the council and APPROVED by the Mayor this 3rd day of September, 2004.
