AN ORDINANCE annexing real property described in Annexation File No. ANX07-06 to the City of Camas pursuant to the direct petition method.

THE COUNCIL OF THE CITY OF CAMAS DO ORDAIN AS FOLLOWS:

Section I

The Council of the City of Camas finds that the following steps have been taken with respect to annexation of the hereinafter described unincorporated area to the City of Camas:

A. On December 14, 2007, a Notice of Intention was thereafter revised and resubmitted on December 27, 2007.

B. The City Council of the City of Camas set January 7, 2008 as the time for a meeting with the annexation proponents to determine whether the City would accept, reject, or geographically modify the proposed annexation, and whether it would require the simultaneous adoption of a proposed zoning regulation, and whether it would require the assumption of existing indebtedness.

C. On January 7, 2008, the City Council conducted a meeting at which it modified the geographical boundaries of the proposed annexation, required the assumption of all existing indebtedness, and required the adoption of a proposed zoning regulation.

D. On March 14, 2008, the City received a petition for annexation signed by the owners of not less than sixty percent (60%) in value, according to the assessed valuation for general taxation of the property proposed to be annexed.

E. On April 21, 2008, the City Council conducted a public hearing to consider the annexation proposal and the adoption of a proposed zoning regulation.

Section II

Pursuant to the direct petition method provided for in Chapter 35A.14 Revised Code of Washington, the real property described in Exhibit "A", attached hereto and by this reference incorporated herein, being a portion of Clark County not heretofore incorporated as a city or town, and further being within the urban growth area for the City of Camas, is hereby annexed to the City of Camas and made a part thereof.

Section III

All property within the area hereby annexed shall be assessed and taxed to pay for the outstanding general obligation indebtedness of the City of Camas existing as of the effective date of said annexation.

Certification of Sufficiency  
Annexation Green Mountain

The city of Camas on March 17, 2008; submitted for review by Clark County Assessor, a petition to annex to the city, approximately 550.408 acres of land known as the Green Mountain Annexation. Subject to the requirements of RCW 35A.01.040, I now certify the following in my capacity as Clark County Assessor:

1. On March 17, 2008 the city of Camas submitted for certification by the Clark County Assessor a petition to annex to the city thirty eight parcels of land and associated road and public utility rights-of-way, totaling approximately 550.408 acres.
2. The legal description and map of the area proposed for annexation, as provided by the city of Camas, are attached to this certification. This area is located in unincorporated Clark County and within the urban growth boundary.
3. The city is completing annexation pursuant to the direct petition method of annexation, RCW 35A.14.120 through RCW 35A.14.150.
4. The Clark County Assessor initiated determination of petition sufficiency on March 26, 2008 which is the "terminal date" as defined in RCW 35A.01.040.
5. The area proposed for annexation has a certified annexation value for general taxation of \$ 15,890,900.
6. Petition signatures provided by the city of Camas represent signatures, in compliance with the RCW35A.14.120 through 35A.14.150, of a combined total assessed value for general taxation of not less than 60% of the total assessed value for general taxation of all property in the proposed annexation area. This review did not address the legal sufficiency of any proxy or utility covenant, only the sufficiency of the presence of signatures thereon.

Therefore, based on the petition certification request and supporting materials submitted by the city of Camas, I hereby declare and certify that the petition represents the affirmative consent of properties totaling more than 60% of the value according to the assessed valuation for general taxation purposes of the property proposed for annexation.

Given under my hand and seal this 11<sup>th</sup> day of April 2008.
